CHANNEL LOGOS

Current artwork / 16-bit square concepts

76 channels. One coordinated pixel-art family.

Every channel follows on the next pages, with its current logo alongside the new option.

Transparent square artwork, limited palettes and crisp pixel lettering.

REVIEW EDITION / NOVEMBER 11, 2026

The live channel logos remain in place. Checkerboard tiles indicate transparency.

CH 02

Ad Break

CURRENT

16-BIT CONCEPT

A squat amber CRT shouts a commercial from a jagged coral starburst, with tiny antenna and physical tuning knobs.

CH 03

Rerun Alley

CURRENT

16-BIT CONCEPT

Plum overstuffed sofa nested inside a broken turquoise replay arrow, with contrasting cushions and exposed wooden feet.

CH 04

Late Night

CURRENT

16-BIT CONCEPT

Wine-red midnight buildings beneath a chunky cream crescent, with a tiny rooftop broadcast mast and scattered stars.

CH 05

Big Prize

CURRENT

16-BIT CONCEPT

Crimson-and-gold trophy with oversized handles, a gem star, and confetti bursting like a game-show jackpot.

CH 06

Brit TV

CURRENT

16-BIT CONCEPT

Rose porcelain teacup on a saucer, blocky blue-and-cream cross ornament, tea-bag tag and stepped steam.

CH 07

PBS

CURRENT

16-BIT CONCEPT

Original public-learning emblem: a teal open book with a small golden sprout and three jewel-toned learning tabs.

CH 08

Y2K WB

CURRENT

16-BIT CONCEPT

Acid-olive mini-disc and magenta lightning bolt cross a compact blue cassette, recalling chrome-era teen television.

CH 09

Porchlight

CURRENT

16-BIT CONCEPT

A honey-lit porch with pitched roof, two posts, warm doorway, handrail and tiny hanging lantern.

CH 10

Prime Time Tapes

CURRENT

16-BIT CONCEPT

Purple VHS cassette with a cream label, twin reel windows and a large gold prime-time sparkle.

CH 11

Strange Tales

CURRENT

16-BIT CONCEPT

A slanted open doorway contains a lime spiral staircase and a floating eye, with displaced pixels around its silhouette.

CH 12

Sitcom Gold

CURRENT

16-BIT CONCEPT

Golden comedy mask with a broad smiling mouth, rosy cheeks and two theatrical ribbon tails.

CH 13

Spooky '90s

CURRENT

16-BIT CONCEPT

Acid-green alien peeks over a violet flying saucer, with a single tractor beam and angular spooky stars.

CH 14

Order Now

CURRENT

16-BIT CONCEPT

Coral push-button telephone with mint handset, mustard ringing marks and a small price-tag burst.

CH 15

Paint Along

CURRENT

16-BIT CONCEPT

A peach artist palette holds teal and berry paint dabs beside a diagonal wood-handled brush with cream bristles.

CH 16

Variety Hour

CURRENT

16-BIT CONCEPT

Crimson stage curtains frame an oversized vintage microphone with a silver grille, gold footlights and showtime sparkle.

CH 20

Saturday Toons

CURRENT

16-BIT CONCEPT

Mint cereal bowl with a spoon antenna, colorful cereal pixels and a tiny square television floating above breakfast.

CH 21

Cartoon Vault

CURRENT

16-BIT CONCEPT

Copper cartoon-film vault opens just enough for a white-gloved hand, with a three-spoke wheel and stacked animation cels.

CH 22

Scooby & Friends

CURRENT

16-BIT CONCEPT

Friendly floppy-eared detective dog with caramel muzzle, mint collar, diamond tag and one raised eyebrow.

CH 23

Toon Toys

CURRENT

16-BIT CONCEPT

Purple wind-up action robot has turquoise fists, gold chest bolts, square boots and an exposed key on its back.

CH 24

'90s Kids

CURRENT

16-BIT CONCEPT

Orange juice carton with a bent violet straw, turquoise fruit badge, checkered side and a splash of neon pixels.

CH 25

After School

CURRENT

16-BIT CONCEPT

Tangerine backpack with a blue front pocket, protruding pencil and folded notebook, ready for an afternoon cartoon break.

CH 26

Adult Swim

CURRENT

16-BIT CONCEPT

Sleepy olive squid lounges in a magenta swimming ring, with dangling stepped tentacles and a tiny nocturnal moon.

CH 27

Puppet Show

CURRENT

16-BIT CONCEPT

Blue puppet theatre with berry curtains, a warm wooden ledge and a little felt frog puppeteer peeking over the stage.

CH 28

Caped Crusaders

CURRENT

16-BIT CONCEPT

Electric-blue cape fans around an original golden shield, with a red cowl, belt buckle and angular speed streaks.

CH 30

Drive-In

CURRENT

16-BIT CONCEPT

Coral tailfin convertible under a bulb-lined outdoor movie screen; little amber moon.

CH 31

After Dark

CURRENT

16-BIT CONCEPT

Noir fedora and trench collar silhouetted against slanted window-blind beams.

CH 32

Creature Feature

CURRENT

16-BIT CONCEPT

Burnt-orange movie reel seized by an original swamp creature's hooked green claw.

CH 33

Chiller Hosts

CURRENT

16-BIT CONCEPT

Lime horror television with a bat perched on top, dripping signal and vampire grin.

CH 34

Silent Screen

CURRENT

16-BIT CONCEPT

Hand-cranked twin-reel silent camera beside a jaunty top hat; sepia silver highlights.

CH 35

Laugh Track

CURRENT

16-BIT CONCEPT

A spring-loaded laughing mouth above a little joke drum, animated impact rays and dimensional teeth.

CH 36

Kung Fu Theater

CURRENT

16-BIT CONCEPT

Original martial artist executing a flying side kick through a vermilion sun, cream belt and speed streaks.

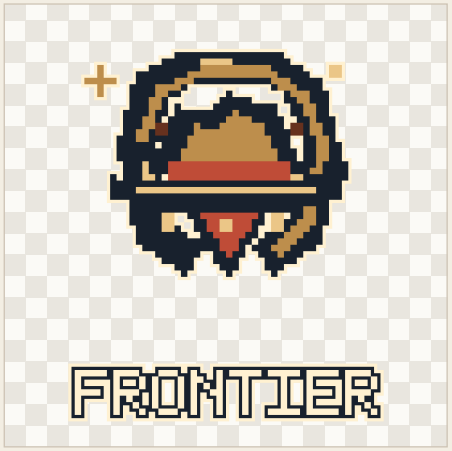

CH 37

Frontier

CURRENT

16-BIT CONCEPT

Weathered cowboy hat and red bandana over a horseshoe silhouette; a little desert star.

CH 39

Private Eye

CURRENT

16-BIT CONCEPT

Oversized magnifying glass reveals a single observant eye over a folded confidential case file.

CH 40

Christmas Movies

CURRENT

16-BIT CONCEPT

Decorated evergreen with filmstrip ribbon, bright gold star and wrapped cinema-ticket gifts.

CH 41

Showstoppers

CURRENT

16-BIT CONCEPT

Original musical-theater dancer in a sweeping gold skirt between red stage-curtain wings and footlights.

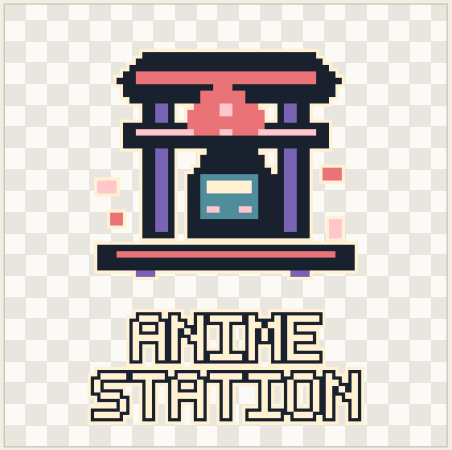

CH 50

Anime Station

CURRENT

16-BIT CONCEPT

Pink cherry-blossom portal over tiny station platform; bright railway crossing and drifting petals.

CH 51

Dubbed Anime

CURRENT

16-BIT CONCEPT

Big broadcast dubbing microphone with burgundy speech bubble and comic sound-wave brackets.

CH 52

Retro Anime

CURRENT

16-BIT CONCEPT

Original red helmeted space hero with star crest, sweeping scarf and chunky 1980s cel shadows.

CH 53

AMV Hour

CURRENT

16-BIT CONCEPT

Mint studio headphones encircle a tiny prismatic video-play jewel with pink waveform pixels.

CH 54

Kaiju Theater

CURRENT

16-BIT CONCEPT

Original copper-scaled kaiju stomps a tiny skyline, turquoise dorsal plates and orange breath.

CH 55

Mecha Hangar

CURRENT

16-BIT CONCEPT

Original industrial mecha helmet with amber V-antennae, blue visor and vented steel jaw.

CH 56

Magical Girls

CURRENT

16-BIT CONCEPT

Rose winged heart wand with crescent collar, pixel stars and a lavender ribbon bow.

CH 57

Power Level

CURRENT

16-BIT CONCEPT

Original clenched energy fist, burgundy-gold aura and chunky broken power-meter pixels.

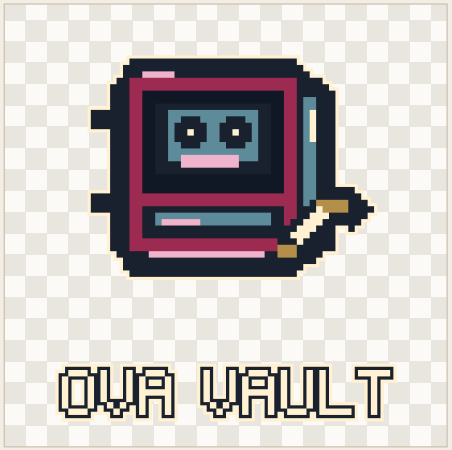

CH 58

OVA Vault

CURRENT

16-BIT CONCEPT

Burgundy mechanical video vault with an open cassette drawer, silver reels and a little sword-shaped key.

CH 59

Toonami Tapes

CURRENT

16-BIT CONCEPT

Original olive-and-blue orbital robot broadcasting from a VHS-shaped chest; starfield stays transparent.

CH 60

Gridiron

CURRENT

16-BIT CONCEPT

Laced leather football crossing a miniature field and golden goalposts.

CH 61

Rink Side

CURRENT

16-BIT CONCEPT

Red hockey skate on a silver blade with crossed stick and chunky puck.

CH 62

Ringside

CURRENT

16-BIT CONCEPT

Oversized rose-red boxing gloves meet over three cream ring ropes.

CH 63

Pit Lane

CURRENT

16-BIT CONCEPT

Low red endurance racer with black tires, blue canopy and checkered starter flag.

CH 64

Skate & Surf

CURRENT

16-BIT CONCEPT

Turquoise curling wave cradles an orange skateboard with cream wheels.

CH 65

Sweatin'

CURRENT

16-BIT CONCEPT

Electric-purple aerobics dumbbell, terrycloth sweatband and flying sweat pixels.

CH 66

Hoops

CURRENT

16-BIT CONCEPT

Orange basketball dropping past a red rim and white net beneath a glass backboard.

CH 67

Ballpark

CURRENT

16-BIT CONCEPT

Green baseball diamond behind a stitched baseball and honey-colored wooden bat.

CH 70

Video Jukebox

CURRENT

16-BIT CONCEPT

Gold-trimmed arch jukebox with magenta neon, little record and button bank.

CH 71

Soul Train

CURRENT

16-BIT CONCEPT

Orange locomotive with a spinning vinyl-record wheel and rising funky smoke notes.

CH 72

Headbangers

CURRENT

16-BIT CONCEPT

Cream skull over a red electric guitar, pointed headstock and sharp chrome frets.

CH 73

Jazz Club

CURRENT

16-BIT CONCEPT

Amber saxophone curves beneath a teal club light, with individually keyed brass pipe.

CH 74

Encore

CURRENT

16-BIT CONCEPT

Silver vintage stage microphone on a purple stand, framed by small applause-star pixels.

CH 80

Ephemera

CURRENT

16-BIT CONCEPT

Loose sepia 16mm filmstrip curls around a small archival reel and cream frame.

CH 81

Duck & Cover

CURRENT

16-BIT CONCEPT

Original cautious turtle beneath an oversized steel helmet, educational-film safety stripes.

CH 82

Home Movies

CURRENT

16-BIT CONCEPT

Brick-red shoulder camcorder with glass lens, flip-out screen and tiny red record light.

CH 83

Computer Chronicles

CURRENT

16-BIT CONCEPT

Beige eighties CRT computer with amber-green prompt, angled keyboard and large floppy disk.

CH 84

Mission Control

CURRENT

16-BIT CONCEPT

Retro mission-control console with radar sweep and a small launching rocket rising behind it.

CH 85

Wild Kingdom

CURRENT

16-BIT CONCEPT

Front-facing golden lion with angular dark mane, cream muzzle and alert green eyes.

CH 86

TV Dinner

CURRENT

16-BIT CONCEPT

Compartmented aluminum TV-dinner tray with peas, mashed potato and a tiny retro television.

CH 87

Strange Signals

CURRENT

16-BIT CONCEPT

Lime UFO broadcasts to a wood-cased shortwave radio with eerie tuning lights.

CH 88

Slow TV

CURRENT

16-BIT CONCEPT

Cozy brick hearth with a steadily burning fire, stacked logs and a tiny steaming mug.

CH 89

Arcade

CURRENT

16-BIT CONCEPT

Turquoise upright arcade cabinet with purple side panels, pixel invader and red joystick.

CH 90

Starbase

CURRENT

16-BIT CONCEPT

Orbital docking station with a luminous habitat ring

CH 91

Hyperdrive

CURRENT

16-BIT CONCEPT

Swept-wing starfighter launching through speed trails

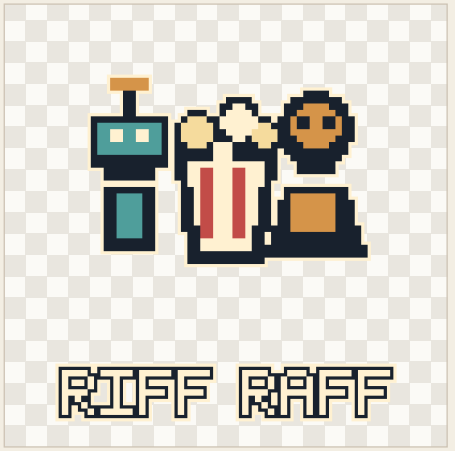

CH 92

Riff Raff

CURRENT

16-BIT CONCEPT

Two cheeky theater robots flanking a striped popcorn bucket

CH 93

Atomic Age

CURRENT

16-BIT CONCEPT

Friendly tin robot carrying an atomic orbit emblem

CH 94

Deep Space

CURRENT

16-BIT CONCEPT

A ringed violet planet and distant moons

CH 95

World of Tomorrow

CURRENT

16-BIT CONCEPT

An optimistic retrofuturist skyline and elevated monorail

CH 96

Cliffhangers

CURRENT

16-BIT CONCEPT

A serial-adventure rocket blasting away from a jagged cliff

CH 97

Subspace 97

CURRENT

16-BIT CONCEPT

A classic exploration starship with twin nacelles and a gold signal star
